

Dear Sir or Madam,

I've worked with Mike in the Quality Assurance department at Moog ind.

I know Mike to be a hard working highly motivated team player. He is always ready to help in any way and give sound advice to make whatever task assigned that day operate as smoothly and efficiently as possible. I've often looked toward Mike for input during some of my inspections and he would always drop what he was doing to aid me

I would at any time be more than willing to give Mike a very good reference and make myself available to talk with you about his work ethics and job performance while employed with me.

Please feel free to call me.

Phone # 225-5261

Thank you.
